

The image for our theme, "Hear the Word of the Lord, Learn to Do Good, Seek Justice" depicts an adult hand supporting the hand of a child. The child's hand cradles a mound of wheat grains suggesting potential for growth. Just as God supports us in faith and love, we support, nurture and guide the children entrusted to our care.

The position of the two hands resembles how we hold our hands to receive the Body of Christ in Communion. Nourished through the Eucharist, we are sent forth as Christ's body to love and serve others. The fruit of our actions will be a world sustained by justice and love.
