

Annual Law Enforcement Torch Run For Special Olympics

A Halton Catholic District School Board student participating in the 2008 Annual Law Enforcement Torch Run.

On June 10, 2009 the Halton Catholic District School Board will join forces with the Halton Regional Police Service in the Annual Law Enforcement Special Olympic Torch Run.

This is the 8th consecutive year that our Board has taken part in the Run, with more than 30 schools within our Board registered to participate.

This event, driven by the efforts of the Halton Regional Police Service, will take place along the main streets of Burlington and Oakville to celebrate and raise awareness for the Special Olympics.

The mission of the Ontario Law Enforcement Run for Special Olympics is to raise funds for and awareness of the Special Olympics' movement across the province.

The Torch Run, in partnership with the Ontario Association of Chiefs of Police, encompasses a variety of fundraising initiatives that benefit the athletes in Ontario with an intellectual disability who are involved in Special Olympics' programs.
