

Welcome back! I hope you had a restful summer.

Not only are our students and teachers in the midst of projects, assignments and sports, but your Trustees are busy working on our Strategic Objectives.

Please take this opportunity to offer your input on the direction our Board should take in the next few years.

Our School Council representatives will begin a boundary review for Georgetown this month and we hope this is a good sign for our bid to build a new school in Georgetown.

All the best for a successful term to our students!
