

I live in West Burlington with my wife of 37 years, Arlene.

Arlene and I have one daughter, Lauren, who attended Holy Rosary Catholic Elementary School and Assumption Catholic Secondary School.

I am a committed member of the Knights of Columbus, working in the Burlington community for events such as the Annual Basketball Free Throw. I am also a member of Catch18, a Christian collaboration committee created by the Knights of Columbus to fundraise for Habitat for Humanity.

I am rooted in my faith in my personal life, being a long-time parishioner of Holy Rosary, and through my membership at the Knights of Columbus.

I look forward to serving the Burlington community as one of your Catholic School Trustees for the next 4 years.
