

Special Education Services is proud to present...

SEA Technology Showcase Evening

Offered on 2 evenings! Choose the session that works best for you!

[Corpus Christi Catholic Secondary School](#)

[Jean Vanier Catholic Secondary School](#)

Who Should Attend?

These information evenings are specifically for parents with children who use or may benefit from assistive technology devices. We welcome all parents, staff or students who are interested in learning more about how SEA Technology can enhance student learning.

About the Keynote Speaker

Keynote speaker DJ Cunningham, co-founder and CEO of LEARNStyle Ltd. will speak to his experiences, and overcoming obstacles to success with a learning disability.

To learn more visit the [LEARNStyle website](#).
