UPDATE #5 - HCDSB Schools will be OPEN on Monday!

Dear Parents and Guardians,

We have just been notified that the Canadian Union of Public Employees (CUPE) has reached a settlement agreement this weekend, and will therefore NOT be moving to a province-wide strike.

In light of this, **all HCDSB schools will be OPEN to students on Monday, October 7th and classes will resume as normal.**

We know this period of uncertainty has created a great deal of stress for many of our students, families and staff. Thank you for your patience and understanding throughout.

We look forward to welcoming all students and staff back to school and work tomorrow.

Sincerely,

Pat Daly
Director of Education
